Delivering Care Through Chemical Excellence

Business unit
Personal Care

Unikema S.R.L is one of the largest specialty chemical suppliers for the pharmaceutical and healthcare industries. Our company is strategically located in Milan, Italy, in close proximity to production facilities and the Genova port.

We maintain rigorous quality control measures throughout the production process, overseen by our highly qualified team of experts. Our final products are stored in a clean and sanitized environment.

With our corporate office based in Milan, Unikema has established a robust customer care system that ensures fast, flexible, and cost-effective services worldwide. Our promoters and management team collectively possess over 20 years of experience in the chemical industry. Our managers and technical support staff are equally qualified and experienced, regularly undergoing refresher training for safety and quality management.

At Unikema, we are committed to delivering products that meet stringent quality standards, are reliable, and arrive on time. Our goal is to become a trusted and embraced brand, and we are just beginning our journey.
